

JOB DESCRIPTIONS

Most job assignments are 7:00 a.m. - 1:00 p.m. or 1:00p.m. – 7:00p.m, but could be shorter, or longer, for any particular tournament or day. If you are not an early person, please make a note on your registration form. We have a harder time finding volunteers for the afternoon shifts, so if you can possibly work in the afternoon please note that on the Registration Sheet.

To qualify to play in the Volunteer's Tournament in August, you must work at least 2 tournaments. Please sign up for a minimum of 4 tournaments so we will have options for which events to use you. Signing up for a minimum of 4 tournaments does not necessarily mean we will use you in all events you sign up for.
